The Daylight Store

Furs at 80 Per Cent of Their Face Value.

There has been a great change in the Fur situation since last March, the time of the great London Fur Sales. Then it looked as though Fur Neck Pieces would not be as good as last season, consequently Furs sold in the raw skins for 20 per cent. less than the season before. Now the situation is changed. All Cloth Coats for Winter have low collars, making it absolutely necessary that every lady should have a Fur Neck Piece. Fur has advanced to meet that demand. As our Furs were bought in March, now it's our generosity and good fortune to be able to sell all Neck Furs in this two weeks' sale at eighty per cent of their face value, being less than cost of skins today.

FUR SALE.

It's early for a Fur sale. We expect that the difference in price will seem to you a saving large enough to take advantage of.

The greatest selling Fur on the market today is the long Isabella and Sable Opossum Astorias that sold last season at \$15.00, now marked \$12.50. In this sale as other Furs, at 80 per cent of face value, making them cost you but \$10.00 each.

FUR SALE.

All of these finer Furs have Muffs to match.

One of the best values in Fox Fur is the wide shoulder effects with large brush tails at \$19.50, subject to same discount. (Were \$22.50 last season.)

Fox Furs in the large pieces at \$25.00 and \$30.00. All in this sale, with Muffs to match, at same discounts.

CAUSE OF HAY FEVER.

Hyomei the Only Cure—Gives Change of Climate in Your Own Home.

Fifty years ago hay fever had not been named, but undoubtedly people suffered then as now with sneezing, watery eyes and excessive running at the nose.

The direct causes appear to be heat, dust and the pollen of flowers, and the only treatment that physicians recommended prior to the discovery of Hyomei was a change of climate.

Now by using Hyomei you can save an expensive trip to the mountains and escape weeks of suffering. This remarkable treatment kills the germs of the disease and soothes and heals the irritated mucous membrane. It really gives you in your own home a change of climate and hay fever sufferers know from past experience that this is the only thing that has afforded them relief. By breathing Hyomei a few times daily you can save the expense of a trip to the mountains and avoid the dangerous hay fever.

The complete Hyomei outfit costs but \$1, extra bottles 50 cents, and consists of a neat pocket inhaler, through which Hyomei is breathed and which will last a life-time, a medicine dropper and a bottle of Hyomei. Richard & Wells of the Red Cross Pharmacy offer to refund the money if Hyomei does not do all that is claimed for it.
